## **POINTS TO REMEMBER WHEN USING THE SCHOOL BUS**

- 1. Parents are requested to ensure that children are punctual and arrive at pick-up points on time to avoid unnecessary delays.**
- 2. If for some reason your child is not going to use the bus on a particular day, please do inform the office in advance, in writing if possible, otherwise over the phone, or inform the bus driver on his mobile as soon as possible to avoid unnecessary delays.**
- 3. After school children are requested to board their bus promptly to avoid any delay in departure. Remember, that parents are waiting eagerly to receive them at the other end !**
- 4. Since a teacher may not always be present on the bus all the way, children are requested to exercise self-discipline and avoid any disruptive behaviour during travel to allow the driver to concentrate on driving them safely to their destination. A chaperone is always riding in the bus to help the little children board and alight.**
- 5. Children are also requested to refrain from inflicting any damage to the bus – like tearing seats, etc. After all, they are our buses !**
- 6. No unauthorized person will be allowed to travel on the buses. There will be no deviation on the planned routes.**
- 7. Although every effort is made to ensure the safety of the children, the school is not financially liable in case of an accident or injury.**

**WE WISH THE CHILDREN A SAFE AND HAPPY TIME, TRAVELLING ON  
THEIR VERY OWN SCHOOL BUS !**
